

## COMPOSER'S FOUR PRIX FIXE

Celebrating \*Oktoberfest!

**October 24, 25, 26**

RE Farm Café at Windswept is committed to building a more permanent, healthy, available, and accessible food system. Windswept's fields, greenhouses, and pastures supply much of our year-round needs. To augment menu offerings, we look to regional small farm sources first, all the while never compromising on your safety or the inherent food flavors that add "wonderfulness" to our dishes. Our composers work tirelessly to grow relationships for a widening network of trusted growers. We buy the best directly from the best, cutting out the middleman and helping small growers keep more of the profit so their work can be, well, sustainable!

This menu is our "plan" for your dining experience, however, since it is based on local availability, last minute substitutions may become necessary. Accompanying side dishes and food garnishes will vary from one day to the next.

**Fun fact:** *Albert Einstein worked as an electrician and helped to set up one of the beer tents in 1896.*
