RE Farm Café at Windswept is committed to building a more permanent, healthy, available, and accessible food system. Windswept's fields, greenhouses, and pastures supply much of our year-round needs. To augment menu offerings, we look to regional small farm sources first, all the while never compromising on your safety or the inherent food flavors that add "wonderfulness" to our dishes. We buy the best directly from the best, cutting out the middleman and helping small growers keep more of the profit so their work can be, well, sustainable!

CONSUMING RAW OR UNDERCOOKED MEATS, POULTRY, SEAFOOD, SHELLFISH, OR EGGS MAY INCREASE YOUR RISK OF FOODBORNE ILLNESS, ESPECIALLY IF YOU HAVE CERTAIN MEDICAL CONDITIONS.
